Other patterns can be found in my [Etsy Shop](#).

This embroidery was hand drawn by my daughter [Elizabeth](#), and is an original design.

## Pattern Notes

### ***Fabric Size***

I used a 10" square of fabric.

### ***Thread Used***

I used DMC thread with two strands for all the stitching. But of course you can experiment with using less or more to achieve texture in your embroidery!

### ***Stitches Used***

I used backstitch for everything, except for the dots. For those I used Colonial Knots.
